

## QUESTION -1

### OUTPUT: -

---

NCR 709

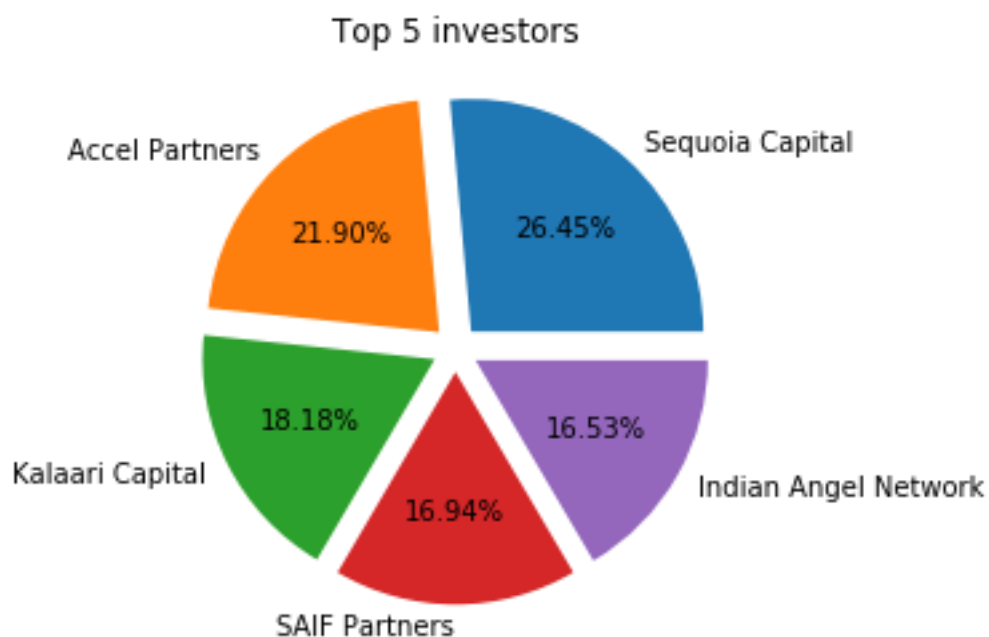

### JUSTIFICATION AND INFERENCE: -

Hence the location which has received maximum number of funding is NCR. Establishing the start-up in NCR will be the best choice for the friend as 709 number of funding has been done in NCR. Besides NCR other locations which are favourable in descending order are Bangalore and Mumbai as shown in the bar graph.

## **QUESTION 2:**

### **OUTPUT: -**

Sequoia Capital 64  
Accel Partners 53  
Kalaari Capital 44  
SAIF Partners 41  
Indian Angel Network 40

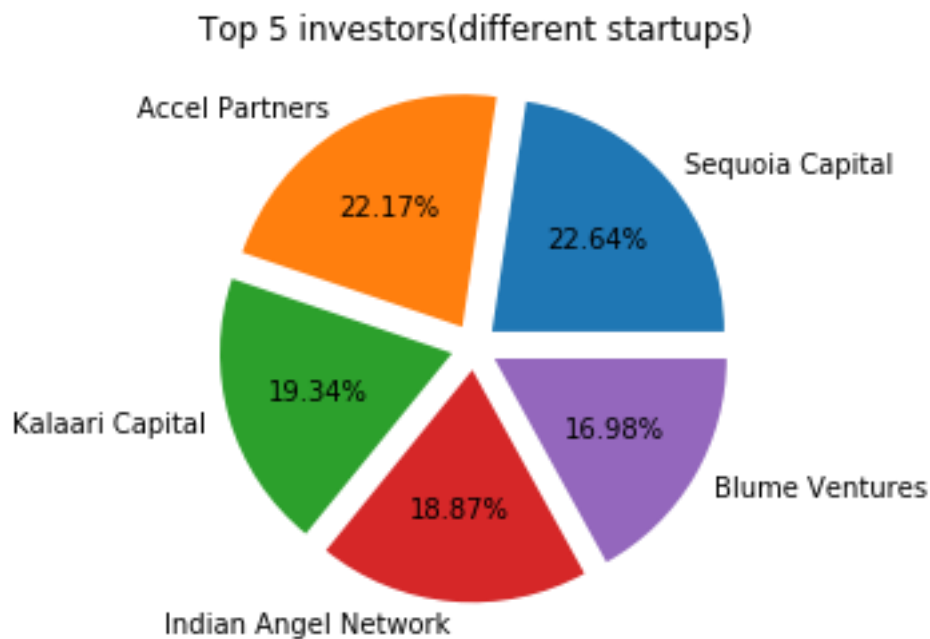

### **JUSTIFICATION AND INFERENCE: -**

Hence from the above results, it is visible that the top five investors who have provided funding maximum number of times to various start-ups (including repeated start-ups) are as above. Sequoia Capital has provided the funding 64 number of times and are the most favourable investors to contact for investment in a start-up.

### **QUESTION 3:**

#### **OUTPUT: -**

Sequoia Capital 48  
Accel Partners 47  
Kalaari Capital 41  
Indian Angel Network 40  
Blume Ventures 36

#### **JUSTIFICATION AND INFERENCE: -**

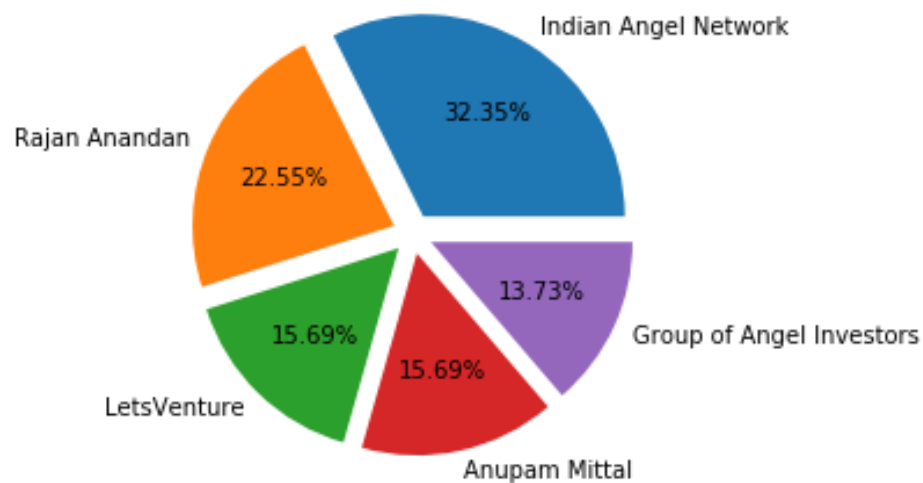

The top 5 investors who have invested in different start-ups are as above. This list is better than the previous list as it only considers different start-ups. Hence to be able to get funding, the friend should contact these five investors they have invested in maximum number of different start-ups. Out of the five, Sequoia Capital are the most favourable choice, as they have invested in maximum number of different start-ups.

## **QUESTION 4:**

### **OUTPUT: -**

Indian Angel Network 33  
Rajan Anandan 23  
LetsVenture 16  
Anupam Mittal 16  
Group of Angel Investors 14

**Top investors in different startups with crowd funding and seed funding investment**

### **JUSTIFICATION AND INFERENCE: -**

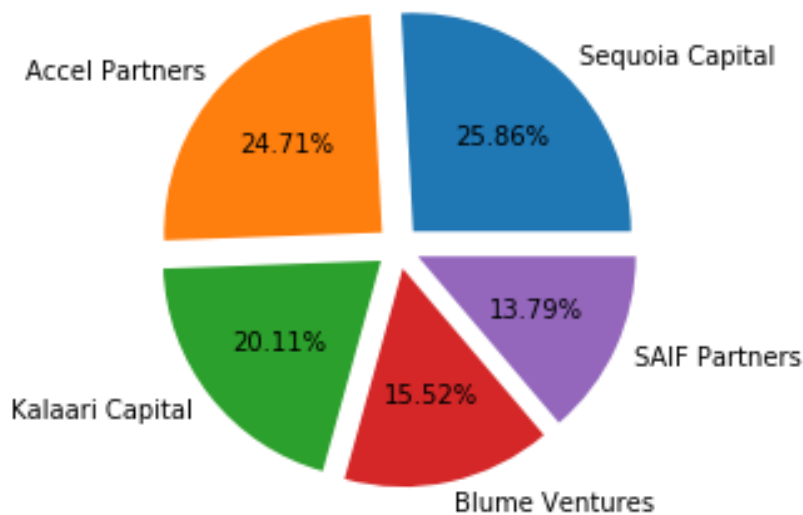

As the stage of start-ups is a very important criteria to consider in order to get funding, this list is better than the previous one as it considers investors which have invested through either Crowd Funding or seed funding investment types. It can be seen that for crowd funding or seed funding investment, the early stage start-ups should contact the above top 5 investors in this field. Indian Angel Network seem to be the most favourable choice as they have invested in 33 different start-ups through either crowd funding or seed funding investment type.

## **QUESTION - 5:**

### **OUTPUT: -**

Sequoia Capital 45  
Accel Partners 43  
Kalaari Capital 35  
Blume Ventures 27  
SAIF Partners 24

Top 5 investors with different startups and investment type as private equity

### **JUSTIFICATION AND INFERENCE: -**

It can be seen that the top 5 investors who have invested in different startups with investment type as “private equity” is as above. Sequoia Capital seem to be the most favourable investor for the friends’ startup as they have invested in the greatest number of startups through private equity investment type and hence chances of getting investment from them will be high.
